

COVID-19 OPERATIONS UPDATE

(Goose Bay Airport Terminal CYR)

(Monday, August 09 2021) We would like to advise the general public that in the interest of keeping passengers and staff as safe as possible as we transition to the new traveling world, that the following measures will be maintained at the Goose Bay Air Terminal until further notice.

- **Masks will continue to be required in all public areas of the terminal building and staff and travelers are encouraged to maintain the social distancing practices that have kept Newfoundland and Labrador safe during the last number of months.**
- **The Goose Bay Airport Corporation has modified the parking area in front of the terminal to provide easier access for individuals dropping off and picking up passengers. (This area of the parking lot is restricted for passenger drop off and pick up only)**

The Goose Bay Airport Corporation will provide up-dates as operations at the Terminal change.
